FERNAN REMBULAT

Pasig City, Philippines |+63 938-641-7227/+63 960-523-7853 | fernanrembulat22112@gmail.com

PROFESSIONAL SUMMARY

QA Analyst with 3+ years of experience in game quality assurance and manual software testing. Skilled in functional, regression, smoke, and UI testing, test case execution, and defect management using Jira. Experienced in validating gameplay mechanics, identifying software defects, and collaborating with development teams to ensure product quality. Holds a BS in Computer Science, with foundational knowledge of API testing using Postman and SQL.

TECHNICAL SKILLS

Testing: Manual | Functional | Regression | Smoke | Sanity | UI | Exploratory
Test Management: Test Case Execution | Defect Reporting | Bug Verification
Tools: Jira | Postman (Basic) | SQL (Basic) | Confluence | Airtable
Development: HTML | CSS | JavaScript (Basic) | C | C++

WORK EXPERIENCE

Video Game QA Tester | GameOps Inc. | 2023 – Present

- Executed functional, regression, smoke, and UI testing across multiple game builds to verify gameplay mechanics, features, and system behavior.
- Identified, documented, and tracked software defects in Jira, providing clear reproduction steps, severity assessments, and supporting evidence.
- Executed test cases to validate new features, identify regressions, and confirm previously reported defects were resolved.
- Collaborated with developers and QA team members to investigate issues, verify fixes, and support software quality throughout the testing cycle.
- Performed gameplay and interface validation to identify inconsistencies, unexpected behaviors, and issues affecting user experience.

QA Intern | Ollopa Corporation | 2022

- Tested e-commerce web and mobile applications to ensure a seamless and reliable user experience.
- Detected and reported UI, functionality, and usability issues with detailed documentation.
- Verified application features against business requirements and expected behavior.

EDUCATION

BS Computer Science | Technological University of the Philippines | 2018–2022
